Help at Shows

As part of your membership and to accumulate points you need to make yourself available to help out at ODRC events.

We cannot run our events without the help of the membership.

All you need to do is help at one show for a day, you can split your help to two shows and do a half day in each. All we ask is that you select what type of show you wish to help at, we will contact you thereafter to arrange your help day. Please leave comments in the area provided. All help days need to be completed by 31.10.21 in order to qualify for the club points system. we will try to accommodate your choices where possible.
